

End of Term 3 Notice

Warm regards from the entire Aspen Junior School.

Thank you for the timely payments of the school dues to enable the smooth running of the school.

Our end-of-term/year examinations are ongoing and we thank God for this.

Please be informed that owing to the Ministry of Education directives and the trending news about EBOLA infections, the school management has found it befitting to postpone the science fair to next term, though this will not affect the ongoing practical learning with the pupils in the school.

End of year class parties and school closure is on **Friday 25th November 2022**. The school day will end at **1:00pm**.

We apologize for any inconvenience caused.

Ebola is real. Stay safe, stay alive.

Yours in service
Ruth Blessing Nakiwala
Principal
