

✿ Welcome to the New Academic Year

Dear Parents and Guardians,

We are delighted to begin another exciting year of learning, discovery, and joy at Aspen Junior School. A warm welcome to our returning families and a special greeting to those joining our community for the first time. Together, we look forward to a year filled with growth and achievement.

🎯 School Theme 2026

Theme: *Science Without Borders*

Term Focus: *Just Like Me!*

This year, we encourage our students to explore science in every aspect of life—inside the classroom, at play, and at home. We want our learners to see themselves as future scientists, inspired by those who once stood in their shoes. With the resources available, we believe they can achieve incredible results.

🔊 Communication & Updates

- Please ensure we have your current email address for regular communication with us.
- If your contact details have changed, kindly update them with the administration office.

👤 Pearson Team Visit

We extend our gratitude to the Pearson team for their visit on 28th–29th January. Aspen Junior School has now received approval for our first sitting of Primary Leaving International Assessments in October. Let us continue to support and prepare our candidates for success.

For those whose children are registered for the Pearson curriculum, please visit the office for more information pertaining to the resources and forthcoming assessments.
